STORIES OF CHRISTMAS PAST

Self-paced

Cost: \$15

In 2022, Ali and Creative Team alum and community member Pam Baldwin teamed up to bring you this exclusive album workshop centered around our 2022 Stories Of Christmas Past Kit. This kit was inspired by an idea that Pam shared with our team and we are thrilled to be able to offer this workshop to our December Daily® community. In 2022 this class was only available to those who purchased the physical kit, but it's now available to everyone who would like to take it. Even though the physical kit Stories Of Christmas Past Kit is no longer available, the full digital version is included in this workshop.
